How Can I Order Your Products?
Call our customer service department at 800-228-0477
Monday - Friday 7:00am to 5:00pm Mountain Time, or fax your order to 505-293-0447. Prices are subject to change.

When Will My Shipment Arrive?
OCO Biomedical ships through FedEx exclusively, transit times are as follows:

- Overnight: Delivery next business day by 10:30am
- 2nd day: Delivery in 2 business days by 4:30pm
- Express Saver: Delivery in 3 business days by 4:30pm
- Ground: Delivery within 4-5 business days, by the end of day

What is Your Return Policy?
All product must be in new and saleable condition (returned in the original packaging) with the manufacturing seals intact. Original invoice number and purchase date must accompany product in order to process the return. Product returned within 30 days of purchase can be returned for refund in the form of original payment. Product returned 30-60 days after purchase can be exchanged for same product or credit on account only. Product returned 60-120 days after purchase will require a 15% restocking fee and credit on account only. Product returned 120 days-1 year after purchase will be exchanged for same product (implants only). No products can be returned after 1 year, with no exceptions. The returned product must be enclosed in safe, protective packaging such as a padded envelope or box. Please mark the outside of the package to the attention of “Returns”.

Return Address: OCO Biomedical Inc., Attn: Returns
9550 San Mateo Blvd. NE, Suite C, Albuquerque, NM 87113

Do You Have an Implant Warranty?
OCO Biomedical Dental Implants are warranted unconditionally against defects in material and workmanship for 5 years after production. The warranty covers only the cost of the implant and does not cover professional fees or restoration components. If a defect is found, please do not use the item. Simply return the item after notifying OCO Biomedical, and a replacement item will be delivered at no additional charge. OCO Biomedical Dental Implants are conditionally warranted if failure occurs within 2 years after placement provided that: the implant was returned uncleansed, the implant was used with an OCO Biomedical abutment, and the implant and abutment, if applicable, are returned to OCO Biomedical accompanied by a completed Failed Implant Report, including lot number, catalog number and pre/post x-rays. The implant must be returned within 30 days of removal/failure. A Failed Implant Report may also be obtained through the Quality Control Department.

International Distributors
Visit www.ocobiomedical.com for distributor information.

Product Sterilization Disclaimer
Implants: OCO Biomedical opposes the resterilization of implants after they have been removed from the vial or placed in the jaw because of the possibility of the transference of blood borne pathogens or other contaminants.

All other surgical instrumentation: OCO Biomedical recommends using a steam sterilization unit at 121 degrees Celsius for 15 minutes with a drying time of 30 minutes.
